E-GOVERNANCE POLICY OF THE KBP COLLEGE

This E-Governance policy has been approved by the College Development Committee in its meeting of the Year 2016-17 was held on 04/12/2016 by Resolution No.-07 and it is implemented from the year 2016-2017

Scope :

The scope of this policy extends to the following areas :

1. General Administration
2. Student Admission
3. Examination
4. Library
5. Accounts & Finance
6. ICT Infrastructure

Objectives :

1. Implementation of E-Governance in all functioning of the college in order to provide simpler & efficient system of governance within the college.
2. To promote transparency & accountability in all the functions of the college.
3. To achieve & create a paperless environment in the college.
4. To provide easy & quick access to information.
5. To make campus Wi-Fi enabled.
6. To make our Classrooms ICT Enabled having Desktops, Laptops, Projectors, etc.
7. To establish a fully automated Library.

Policy :

The college will implement e-governance in all aspects of functioning like library, accounts, admissions, administration, teaching, examination etc.

The policy is designed & framed to make each & every function transparent & accountable.

The college decides to make the following policies & procedure :

Website : The website will act as an information centre which will reflect about the college, all its activities, important notices, courses offered, etc. For this purpose, training will be given to the administrative & teaching staff to make important updates on the website. The college will also look for other changes that are required on the website. The college strives to showcase its vibrant self & activeness through its website. All the important notifications have to go live on the website as & when they are released.

Student Admission : An open & transparent strategy for the admission process is followed which is further strengthened by the ethical practices & regulations as opened by the Savitribai Phule Pune University. The college brings out its Brochure which is displayed on the website that has guidelines for the admission process. An Admission portal to be used to manage the admission in the college. Students can submit Online Application Form for taking admission to the college.

Accounts : The office continues to maintain its account on Tally. Software help the staff to maintain financial records effectively & efficiently. Profit & loss, Balance Sheet are generated through this software only. All the analysis reports are also generated through Tally. Training to the existing staff & updation of the existing software must be done regularly. Receipts & payments are generally made & received through online mode such as NEFT, RTGS, Bank Transfers, etc.

Library : The college continues to maintain its academic excellence through maintaining a well-stocked library. The College will add more & more & more e-learning resources for the benefit of the teachers & the students. The college should continue to subscribe to new journals & books regularly. Teachers can apply to get books of different authors for the subjects they are teaching to increase the knowledge database.

1. The Library to install automated software which should have an easy to use.
2. The Circulation module of the software should cover all the operations of circulation, right from creating member records to printing of reminders for outstanding books.
3. The database Maintenance module should cover all operations of database creation & maintenance.

Administration :

1. Administrative Office should use Advanced Excel & File Management System Tools to maintain effective database.
2. To provide a hassle free, convenient & smooth process, administration of the college to be made paperless.
3. Students must be able to obtain maximum services in online mode.
