Nursing is one of the strongest pillars that the medicine profession stands on. The profession revolves around taking care of people, which includes their physical as well as psychological maladies. At a senior level the work in the nursing department includes managing particular groups of patients from pediatric ward, psychiatric ward, ICU, etc. Apart from that, the job revolves around taking care of the medication of the patients, maintaining patient records, administration, routine work, setting up of medical equipment and so much more.

The career opportunities in nursing are very high not only in India but also abroad. With more and more hospitals opening up each day, it is a sign of the requirement of skilled and qualified people required for the service. Undoubtedly, the career is not for everyone as it asks for a lot of patience and hard work, which we are providing at our esteemed college.
